

SOVEREIGN  
GLOBAL SOLUTIONS

KNOWLEDGE • INFLUENCE • INTEGRITY

## Government Affairs

SGS represents your interests in Washington, D.C., in state capitals and in governments and multilateral organizations around the globe.

## Public Affairs

Strategic partnership and coalition building, stakeholder engagement, holistic public advocacy campaigns, op-ed writing and placement, garnering grassroots support and influencing trends.

## Strategic Business Consulting

We design and implement winning strategies to advance your business and achieve your goals domestically and internationally. We accomplish this through strategic partnership development, critical public policy prognostications and analysis and strategic planning.

## SERVING GLOBAL AND DOMESTIC CLIENTS

Government

Healthcare

Business/Non-Profit

### Sphere of Influence

Sovereign Global Solutions, LLC works with businesses, governments and faith leaders around the world to achieve what was once thought to be impossible or unthinkable. Your success rests in effective influence and advocacy. Our influence is anchored in strong relationships, sound strategy, knowledge and expertise.

SGS's Team is dedicated to identifying winning strategies and tactics that achieve your success.
